Women In Business

Sometimes you just need to unwind! Thanks to Frank Jean, Licensed Massage Therapist, guests of April's Women in Business meeting did just that! Clear blue skies, the light chop of the Caloosahatchee River and island tunes created the perfect backdrop for entertaining conversation and no-pressure networking.

Underneath the tiki hut at Legacy Harbour Marina, Frank and his lovely wife Amy shared how massage treatments can help you relax, alleviate pain, boost your immune system and improve your circulation. Further motivating you to give yourself the gift of massage, Frank Jean is offering Chamber members **50% off** their first visit. To book your appointment, call 239-247-0141.

Norma Eveland, Director of the Southwest Division of the March of Dimes, was also excited to share with us a fun way to help babies begin healthy lives. March for Babies took place on April 30th at Centennial Park in Downtown Fort Myers and Women in Business had their own team for the evening walk. Money raised will fund research and programs for expecting mothers as well as stronger, healthier babies.
